All candidates shown in the list are admitted to the exams under conditions. The administration, at any time during the selection procedure, may exclude candidates who do not meet the admission requirements established by current legislation and the public selection notice.

The exams will take place in person for Italian and foreign candidates competing for places without scholarship, places with scholarship financed under the PNRR and places financed under the Nodes project.

Candidates competing for the places reserved for scholarship holders from foreign countries and for the places reserved for specific mobility programs will take the test in "remote" mode using the "Webex" platform. The candidates will receive, the day before the interview, an invitation with the passwords to access the virtual room.
