

## CURRICULUM VITAE ET STUDIORUM

### **Biagio Simonetti**

Professor of di Statistics

Department of Law, Economics, Management and Quantitative Methods  
University of Sannio

#### **University Positions**

- Biagio Simonetti born in Napoli, 6/5/1974, residing in Ottaviano (Naples);  
from April 2017, Associate profesor of di Statistics at Department of Law,  
Economics, Management and Quantitative Methods, University of Sannio;
- from November 2006 Reserch fellow in Statistics at Department of Law,  
Economics, Management and Quantitative Methods, University of Sannio;;
- March 2003, PhD in Computational Statistics, defendind the thesis Symmetrical  
and Non Symmetrical Correspondence Analysis with ordinal variables for  
sensory data“ at University of Naples Federico II;
- January 2000, Master degree in Economics University of Naples Federico II.

#### **International Collaboration**

- February 2015, University di Moncton (Canada) with prof. Vartan Choulakian;
- November 2008, University of Western Sydney (Australia) with prof. E. J. Beh;
- January-March 2007, University of Western Sydney (Australia) with prof. E. J.  
Beh;
- November-December 2006, University di Moncton (Canada) with prof. Vartan  
Choulakian;
- November-December 2005, University of Western Sydney (Australia) with prof.  
E. J. Beh;
- January-April 2005, Universitat Rovira I Virgili, Tarragona (Spagna) with prof.  
J. Allepus;
- August 2002, University di Moncton (Canada) with prof. Vartan Choulakian;
- January-April 2002, Kvl University, di Frederiksberg (Danemark) with prof. Per  
Bruun Bockoff.

#### **Statistical Software**

- Spad, Spss, S-Plus, Matlab, Statgraphics, Simca, Statlab, Gauss,

#### **Teaching**

Statistics;

Multivariate Analysis;

Big Data;

Statistical Methods for Assessment;

Time Series;

Statistics for Business;

- Sosyoekonomi ;
- International Journal of Advanced Management and Business Intelligence;
- Journal of Applied Quantitative Methods;
- Journal of Reliability and Statistical Studies;
- International Journal of Business and Society;
- Dynamics of Socio-Economics Systems.
- Electronic Journal of Applied Statistical Analysis;

### **Research Project Participation**

**2018-2020** Research assignment at the National Institute of Geophysics and Volcanology (INGV) - Osservatorio Vesuviano "for the project entitled" Statistical Analysis of the Perception of Volcanic Risk ";

**2016-2018** Project Manager KA107 - Higher education student and staff mobility between Program and Partner Countries. Project number: Project 2016-1-IT02-KA107-023733.

**2013-2016** Participation in the European Tempus project "Technological Transfer Network" Call: EACEA N ° 35/12. Project number: 544197-TEMPUS-1-2013-IT-TEMPUS-JPHES.

**2012-2013** Participation in the European project Jean Monnet Program, KA 1 "The Value of the European Citizenship AND the World of Youth". Project number: 357103-LLP-1-2011-1-EN-AJM-ICS Learning EU at the school.

**2011-2013** Coordinator of the research group of the University of Sannio of the European project entitled "Direct somatic embryogenesis as an efficient way of virus elimination from seedless grapevine" funded by the Science and Technology Center in Ukraine (STCU), coordinated by dr. Larisa Andronic (Institute of Genetics and Plant Physiology of ASM, Republic of Moldova).

**2010-2013** Coordinator of the local research unit of the University of Sannio of the European Tempus project "Master program in Applied Statistics" Call: EACEA N ° 28/09. Project number: 511140-TEMPUS-1-2010-RS-TEMPUS-JPCR.

**2010** Participation in the project "Design, implementation and validation of a questionnaire for the evaluation of teaching provided to university students" funded by the National Committee for the Evaluation of the University System (CNVSU) Ministry of University and Research.
