The Benevento Charter welcomes contributions from anyone interested in supporting its implementation and use.

By visiting the dedicated page on the unisannio.it website, it is possible to submit a written declaration to:

- Become a signatory;
- Express interest in joining the working group, to propose changes to the Charter.

The proposals relating to the Charter or to the composition of the Working Group are approved, on the proposal of the Select Committee, with the unanimous consent of the "Benevento Group", which is considered acquired in the absence of even a single explicit dissent among its members.
