

How to install and activate your personal copy of MATLAB (Campus)

MathWorks Account Creation

- Go to <http://www.mathworks.com>
- Create a new MathWorks account

- You should use your university email (@unina.it) and select the option “Academic use”

Associate with the license

- As soon as you are logged in your MathWorks account click on “Manage Licenses” and then on the button “Add License”:

- Select “Activation Key” and click Continue - Enter the Activation Key:
... and click Continue.

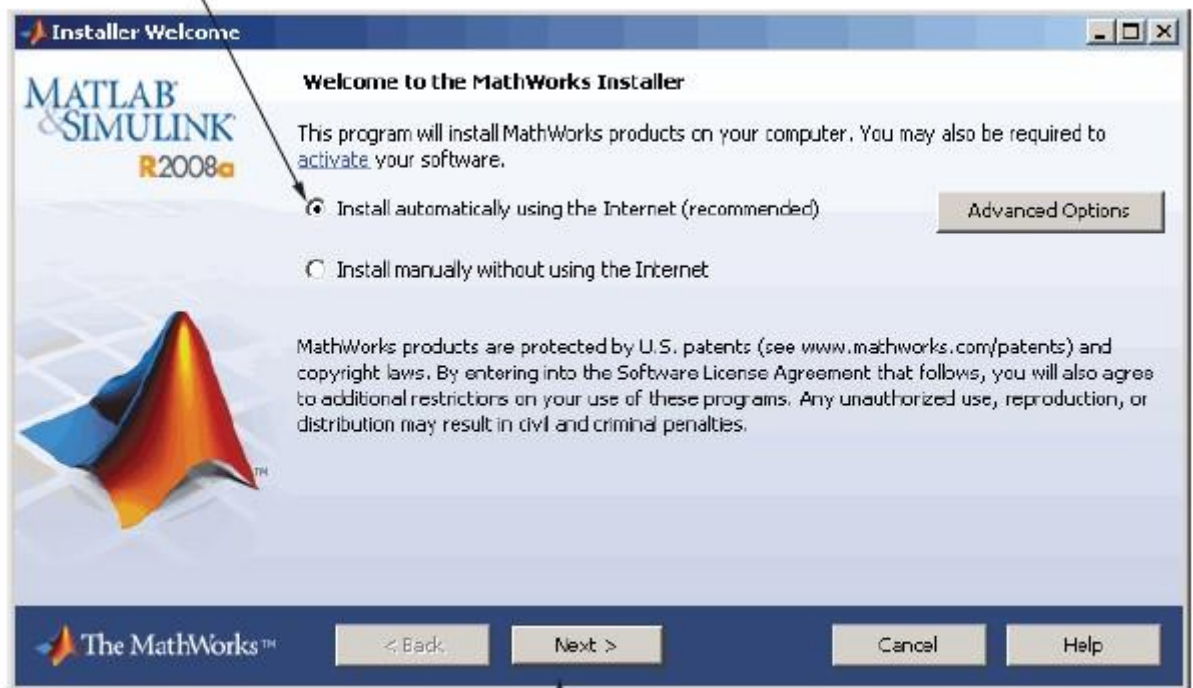

Download the products

- On your account page you can click on “Get Licensed Product and Updates” to download the installation files.

Install

- Select the option: “Install automatically using the Internet”

Select this option to install products (recommended).

Click Next.

- Review the License Agreement and click next.
- Login to your MathWorks Account

Enter your university e-mail address and password.

Select this option if you need to create an account.

Click Next.

- Select the license ... and click "Next".

- Select the Typical installation, specify your installation folder and start the installation procedure.

Activate

- At the end of the installation process proceed with activation.

- Select license ... and Click "Next" - Enter your

Activation Key:

...

And click "Next" -

Click Activate.

If you need installation help please open a Service Request by clicking on "Create new Request" on your MathWorks Account. Fill in a Technical Support -> Installation request to receive direct assistance by MathWorks Installation Support Team.
